Hughes Candles, an Oklahoma artisan home fragrance manufacturer announces their grand opening and launch of their original collection of unisex wood wick soy candles.

PR9.NET August 18, 2018 - "We feel like this launch has been a tremendous success, customers are providing raving reviews, and we have already established two new retail partnerships--one in Tulsa, OK and one in Claremore, OK soon to be announced. We couldn't be happier with our progress and we are looking forward to establishing additional retail partnerships across the state of Oklahoma, and surrounding states," said, Jason Oelrich II, President.

About Hughes Candles

Hughes Candles are an artisan, hand poured, small batch, all-natural, unisex, wood wick, soy candles infused with beautifully complex and sophisticated fragrances, that showcase stunning burn pools when lit, making the candles essentially maintenance free and a healthier option than traditional candle alternatives.

About Hughes Candles Company, LLC.

Classic American made luxury, handmade unisex wood wick soy candles, room sprays, diffusers, and incense infused with the finest home fragrance scents available. Proudly made in Broken Arrow, Oklahoma.

Our unisex soy candle home fragrance scents are designed to appeal to both men and women. We spend months designing home fragrance recipes that will literally transform atmospheres. We hand select only the best authentic essences, then they are artfully formulated into secret recipes. Next, these recipes are tested to ensure they produce a maximum and robust fragrance throw that will fill your rooms with uplifting and energizing aromas.

We use only the highest quality all natural soy wax, premium fragrances, and the finest wood wick soy candle materials. With great care, our candles are handcrafted and hand poured in small batches. We light and test our candles to ensure they are long lasting, clean burning, provide an exceptional crackling wood wick candle experience.
