Montreal, Canada - Envision SBS today announced that sales of Business-in-a-Box, its flagship product, have reached a new milestone. The company is well on its way to becoming a global leader in its market. Small and medium-sized businesses in 85 countries around the world are now reaping the benefits of Business-in-a-Box.

PR9.NET March 08, 2004 - The announcement comes as the company unveiled its latest website. "We are very pleased with the site's new design and are excited by our product's worldwide acceptance. Our wide ranging customer base truly demonstrates how Business-in-a-Box is a universal tool for all business people," said Jonathan Defoy, Co-Founder of Envision SBS.

The site's sleek look reflects the company's new product branding and corporate image. The navigation process has also been streamlined to allow users quick access to what they are searching. The updated website, www.pr9.net/toolkit/click?id=42, also includes a powerful document search tool that uses Copernic's industry-leading search engine.

"Our position as a leading provider of business productivity tools has allowed us to partner with over 3,000 affiliates worldwide. We are now aggressively expanding our reach and actively searching for major distributors worldwide." Envision SBS has created thousands of strategic online partnerships thanks to its affiliate marketing partner LinkShare. "We invite all business people who are interested in joining our affiliate program or distributing our product to contact us, whether they operate online or offline. Chances are that some of our clients are themselves in a great position to resell Business-in-a-Box," said Mr. Defoy.

[Business-in-a-Box](http://www.pr9.net/toolkit/click?id=42) - Including over 1,200 essential letters, contracts, board resolutions, plans, checklists, policies and spreadsheets, Business-in-a-Box is the most comprehensive library of business document templates available today. Bringing together the expertise of management consultants and lawyers and the efficiency of an executive secretary, Business-in-a-Box is the solution you need to facilitate document writing.
