New Age Media Concepts adds news portal to its website for the posting of press releases, news, and information in regards to the advertising, marketing and public relations industries.

PR9.NET August 26, 2004 - New Age Media Concepts announces the addition of a news forum on it's corporate website. This news forum is geared towards the advertising, marketing and public relations community, giving them the opportunity to post news, press releases, articles and thoughts in regards to these industries.

This can be a good way for professionals in the advertising, marketing and public relations industries to interact with each and shed light on certain topics. This is a free service to all that want to participate. There is no limit to the number of articles or press releases that can be posted.

###
