PR9.NET August 26, 2004 - Kelowna, BC — Is there a Prophetic Calendar we are able to refer to? Can we learn what's up next on the agenda for this world? Has God given us a Day Timer? Author Maureen Metcalf answers these questions and more in her newly released book "The Final Schedule Revealed in the Fall Feasts and Festivals".

Maureen's studies of Jewish festivals combined with a long-time interest in prophetic Biblical eschatology has led to discoveries that make Scripture read like the script for today's news. The author does not re-invent the pre-Trib view of Bible Prophecy, but merely examines it from a seldom considered vantage point. As a result, she has uncovered details that have often been downplayed or overlooked, but which have amazing applicable significance within the current world scene.

Excerpt from the book: "The final days of The Age of Grace are here, soon to be followed by The Days of Awe. Rosh HaShanah, Ha Teruah, Rosh HaChodesh -Yom HaKeseh, Yamim Nora'im, Yom Kippur, Tekiah HaGadol, Sukkot, Shemini Atzeret - Simchat Torah. Read your programs, because here we go! No more preparatory rehearsals. And no one gets to sit-out and watch from the side-lines. There are no side-lines, and there is no passive audience. All of us are involved."

"The Final Schedule Revealed: In the Fall Feasts and Festivals" is one book that every scholar of End Time prophecy, every Messianic student, and every Christian watching for Christ's return, should own. It will challenge, surprise, and provoke the serious reader to consider Christ's return from a point of view uncommon to discourses on End Time eschatology today.

Maureen Metcalf has been a Pastor's wife for many years, and has taken an active leadership role in music, drama, and in Christian Education. She has experience in leading Bible Studies, and has researched many topics, both from an historical, as well as from a Biblical perspective.
