Harli P&L's single, NaStyleJah, was played in over 20 clubs during a Friday night warm up session promotion with GPLK Inc. to thousands of listners. Scala wanted more. More Harli P&L.

PR9.NET September 03, 2004 - Harli P&L's NaStyleJah is a blaring rock/rap song with guitar rips from Mark "Boogie" Brown that are out of this world. Tons of house and rap music blared from the speakers at Scala on Pentonville Road, but the crowd reaction to NaStyleJah by Harli P&L was astounding.

An enormous spot, filled by ranting ravers gyrating to new artists to hit the scene. "You hear it tall' here first" says one raver as Boogaloo Stu spun NaStylJah back to the beginning again. It looks as if Harlem has produced another Hip Hop artist headed for the top, following a long list including, Ma\$e, Cam'ron and The Diplomats.
