New Associate Publisher Will Spearhead Publication & VTS Launch Teams

PR9.NET September 04, 2004 - Possibility Media, publishers of Service Provider Weekly, the only newsweekly for Service Providers delivered electronically to over 49,000 subscribers every Monday, and the market leader in online publications and event media, announced it has appointed Victor H. Ramos as Associate Publisher – Operations.

Terry Logan, Group Publisher & President of Possibility Media said they are very pleased to have Victor onboard and that he will help shape the various divisions of this diverse company. He said that the company's recent acquisition of several web sites, publications and online trade shows, created the need for someone to oversee the various parts and ensure they share services and production facilities to achieve the maximum opportunity for growth and profitability.

Logan went on to say that the company will be rolling-out several new magazines and Virtual Trade Shows in the coming months and that Ramos will spearhead the effort coordinating the various teams who will manage each launch. Ramos will report directly to Terry Logan.

###

About Possibility Media Inc.

Possibility Media is a privately held Florida corporation and was established as the result of several acquisitions of various web sites and media properties, together with Virtual Trade Shows and the technology behind the shows. Although based in Miami, the company has people all over the globe including the U.K., Australia, South Africa, India, Ukraine and other Eastern European nations.
