Company offers the consumers a large variety of prescription medications that they can order directly using online order form.

PR9.NET September 07, 2004 - Miami, FL - Acmemed.com - US online pharmacy launch multi-level marketing affiliate program 6 levels deep. This is the first multi-level marketing affiliate program launched by online pharmacy. Usually online pharmacies use 2 or 3 tier affiliates programs. They don't offer such great residual income potential for webmasters. Acmemed.com program offers webmasters reliable, accurate stats tracking, recording and display. Commission payments every week by wire. Broad range of constantly updated promotional and creative material for affiliate marketing. There is no investment required to become an pharmacy affiliate, just completion of an online affiliate application at www.acmemed.com. Through strategic relationships, Acmemed.com have established a low cost base, which, combined with low overall operating expenses allows them to pass these savings on to their affiliate partners. They boast the highest commissions you will find anywhere online. They keep track of changes in regulations in this fast changing industry to ensure they sell responsibly, this is the reason why they have decided not to push controlled products until the legal uncertainty surrounding them has cleared up, they plan to be here for the long haul.

For the mass media company CEO Dan Parvanov say: "We stand besides our Affiliate partners through thick and thin, as we believe them to be the bloodline to our business. We will do whatever it takes to provide them with the support they require to achieve their desired goals. We takes pride in the personal relationships we develop with our partners."

Acmemed.com offers the consumers a large variety of prescription medications that they can order directly using online order form. All their patients are required to fill in a medical questionnaire which has been strictly reviewed by licensed physicians. Upon approval of order they will be issued with a prescription which will be dispensed without delay. Their approach is simple, keep and hold prices down on the most popular medicines, and ship fast. They maintains the highest quality standards for their physicians, and pharmacists, all physicians and pharmacists are in good standing and fully licensed with their respective licensing authorities.
