Through hypnotic regression she rediscovers her true identity and purpose and prepares to take part in her first mission - to eliminate to a deliciously sinister and enigmatic man with "Hitleresque" intentions to rid the world of undesirables by creation of a perfect race through his collection of exotic women.

But what happens when this madman's boyish charm and raw sexuality are just too much to resist?

Editorial Reviews:

"Calnin's writing is powerful, fluid and haunting. When it comes to writing KILLER SEX, Christine Calnin takes no prisoners."

– Steve Trotter, author of
THE NATIONAL TRUTH

"This book sizzles. Christine Calnin has mastered an art form, erotica, that so many have tried - and not been able to crack the code.

'Addicted to Sex' is a great read. I defy anyone to pick it up and put it down before you have finished the book.

It's simply that good!"

– Terry Brejla, author of
The Don DeCarlo thriller series and Reviewer for the SAN FRANCISCO CHRONICLE

"I felt stunned after I finished it and want to go back and reread it.

The twists & turns along the way made it hard to put down. During the hypnosis session, you almost could visualize the scene and events as if you were there.

I can honestly say I can not wait to see what Christine Calnin comes up with next. She left the reader wanting more - guessing - the comments about the "lies", building the suspense up for the next characters especially "Madam Murder" . The little glimpses of her throughout the book made me want to know more."

– Susanne Kufahl, owner
BUFFALO BOOKS, Wisconsin

"Christine Calnin keeps the sexual encounters sizzling but doesn't allow them to get in the way of the page turning plot. She also manages to be titillating without being embarrassing.

A good read for the beach or the airport, if you dare!"

– A. Nicholls, attorney
