The Chloe T. Foundation will hold it's 3rd Annual "the power of a teddy bear" Benefit, themed "Heart of the Holidays" on October 2, 2004 at the Comfort Inn/Outback Restaurant, 1321 East 78th Street, Bloomington, Minnesota

PR9.NET September 12, 2004 - As another stuffed animal distribution in December draws near it is time for The Chloe T. Foundation to hold it's annual fundraiser. The theme this year is "Heart of the Holidays". Enter the room decked out for the holidays, mingle during the social hour, look over the items up for auction and select a table with a beautiful Holiday wreath to sit at and enjoy your appetizing meal. Local morning radio personality, John Hines from K102 is the Guest Emcee and will act as auctioneer for many wonderful gifts as we raise money to purchase new stuffed animals for hospitalized children. Silent and Live auctions are planned along with a "Bucket Auction" and a special "Angel Auction".

There's something for everyone with dinner choices of Sirloin Steak and baked potato (specialty of Outhback Restaurant), Queensland Pasta with Chicken and Shrimp or Grilled Salmon with steamed vegetables. Dessert is being provided by Queen of Cakes in Edina. Each attendee will receive a special memento of the evening. Tickets are \$40 and have a tax deductible value of \$20. Tickets can be obtained by calling 952-994-8456 (Jenny) or 952-447-7177 (Karen) to place your order. Cash, check, Visa or MasterCard are accepted.
