World Famous Lundy's Restaurant located in the heart of Brooklyn Ne wyork expands their catering business.

PR9.NET November 20, 2004 - BROOKLYN, NY, -- The Brooklyn Landmark "Lundy Brothers Restaurant", located in the heart of Sheepshead Bay, Brooklyn, has just made plans to expand their catering business. Now with new management in place they plan on promoting the fact that they can accommodate up to a 700 person catered event on site. With the seating capacity being over 700 they have the ability to offer catering services for large weddings, corporate events or even be the meeting place for business and political associations, examples would be the Lions or Kiwanis Clubs.

Lundy's Restaurant has been offering their world-class lobsters since 1938 and beyond a brief period, has been doing it ever since. They have been frequented by numerous celebrities and sports legends through out the years and the current owners plan on bringing the life back into the prestigious Lundy name.

A lot of people aren't aware that you can actually cater a huge event at Lundy's Restaurant, they think of it as "a seafood joint" but in reality it has been host to many historical unions over the years.

Lundy's short-term goal is to make the Brooklyn community aware that they don't have to cater their wedding or business event in another borough, they can have their catered event at a location that is considered a true "Brooklyn Tradition".

Lundy's Restaurant is open 7 days a week from 11am to 9pm, they offer a wide variety of seafood and steak on the menu, all baking is done on premises.

Celebrate Thanksgiving with Lundy's this year, to make reservations call 718-743-0022.
