*RealOrganized, Inc. lowers the price of their award winning RealtyJuggler Calculator to \$9 from its earlier price of \$49.*

PR9.NET January 14, 2005 - Leesburg, Virginia. - Today, RealOrganized, Inc. reduced the price of its award winning RealtyJuggler Calculator from \$49 to \$9. "When we initially created our suite of five real-estate calculators, we did it expressly for realtors. However, we have been pleased to learn that many of our customers are looking to purchase or sell a home and are not necessarily realtors. They told us that they wanted the same product, but at a lower price. And we listened." said Scott Schmitz, President of RealOrganized, Inc.

RealtyJuggler Calculator consists of five real estate calculators which run on Palm Powered PDA's including the latest smart phones such as PalmOne's Treo. The calculators are: rent vs own, seller net, maximum home price a buyer can qualify for, mortgage payments, and commissions.

A 30 day free trial is available at the company's web site: <http://www.RealOrganized.com> where the software can be downloaded and purchased. for \$9.

The software runs on Palm Powered handhelds with at least 1MB RAM and requires OS 4.0 or later.
