Ads and Auction Poster version 1.01 is a freeware that allows seller to post classified ads and auction to +28,101 sites in a single post.

PR9.NET February 06, 2005 - Yellowpages.t35.com is an online marketplace that offers a selection of popular products and services. The free classified ads and auction service is network into 28,050 sites and growing with over 2 million page views per month.

And with Escrow services, buyer pays the seller through Moneybookers and release the payment only when the buyer is happy with the goods the buyer receive as the same to "Money back Guarantee" and it proves to be popular among the buyer as this is a protection for any frauds or fake goods that is supposed to arrived.

It is easy and user friendly as buyer and seller just register online and can start trading immediately. Auctioneer do not need to have a credit card as Moneybookers accept other payment type as cashier check and direct bank-in into Moneybookers account. Moneybookers acts as a third party against any frauds that are plentiful among today's auction site.

YellowPages.t35.com has received a lot of positive feedbacks from the auctioneers as DG from New York said "This auction site is very competitively priced, I am getting a massive response from my ad"

Donita Slack from Deerwood Cottage Cabin Resort said "This is the best website for free classifieds and auction, I have ever seen. We have just begun to try and rent out our cabin up north in Michigan. You have made it so easy for me and you can't beat the price, you can't find anything that is absolutely free these days. You are great and I will recommend you to everybody I know. Thanks"

"This is a very nice site, I sold my car in few days and thank you." said a seller whom wishes to be known as Steve.

and Kerry pinkbike sends her regards "I love your site, the best free classified site I have come across ever"

Auctioneer can auction their goods in various categories as automotive, cars, trucks, RVs, ATVs, boats, aircraft, parts, books, movies, music books, coins, stamps, collectibles, computer hardware, software, jewelry, gemstones, merchandise, recreation, pottery, glass, porcelain, pottery, sports, memorabilia, toys, bean bag and die cast.
