*Chase Zander, one of the UK's top executive recruitment consultancies, specialising in business change and IT professionals, is pleased to announce the lease agreement of its new state-of-the-art Head Office to be situated in Greenwich, London.*

PR9.NET February 24, 2005 - "Fully refurbished to a really high standard and with excellent views over Canary Wharf and the docklands the new office should offer our team the best possible working environment for success," said Adam Tallamy, Director.

The new office offers great potential for expansion over the next 4 years and excellent transport links – 10 minutes to London Bridge and the City by train and 10 minutes to Canary Wharf by DLR (Docklands Light Railway) as well as being easily commutable by car from the M25, including Kent and Essex.

At the same time, Chase Zander is pleased to extend its use of Swiftpro CVPlus Visual, advanced recruitment software, across the whole organisation. This will allow Chase Zander staff to provide superior services through greater organisational efficiencies and better sharing of critical data.
