ECCO Oxford now stocks the new ECCO Golf Women Sport shoes for ladies.

PR9.NET June 14, 2005 - Oxford, UK - ECCO Oxford now stocks the new ECCO Golf Women Sport shoes for ladies. ECCO Golf Women Sport catches the eye with sporty yet feminine upper designs that are produced from a wide variety of materials and functions - ranging from metallic leather to high performance textiles.

ECCO Women's Golf Shoes

Additionally, the shoe features moisture wicking linings for enhanced inner climate in the long hours on the green. PU inlay soles ensure the ultimate in comfort and balance support. Super soft shock absorbing PU protects the body while vegetable tanned leather and microfibre top linings secure anti fungal protection and extra arch support.

ECCO Golf Women Sport

ECCO Golf Women Sport has technical enhancement, featuring a high tech outsole with 3D - shock absorbing PU midsole and a durable soft compound TPU outsole. The shoe is fitted with Eclipse cleats from Trisport for added traction and Fast Twist insert system.
