PR9.NET June 28, 2005 - Secaucus, NJ-Meeting & Conventions magazine recently announced the winners of its prestigious hotel meeting & convention Gold Key Award for 2005. This annual award is bestowed upon the world's finest meeting and convention hotel properties.

The downtown San Francisco Marriott Luxury Hotel was nominated for this award of excellence by the readers of M&C, who based their votes on the overall professionalism and quality of this San Francisco hotel. This year, the readers honored 190 domestic and 20 international luxury hotels and resorts as Gold Key winners. Meeting and convention planners selected their winning hotel properties based on strict hotel service industry criteria including; quality of meeting room facilities and convention space, quality of hotel guest services, hotel staff attitude, banquet rooms, hotel restaurant food and beverage service, proficiency of handling hotel room reservations, availability of technical/support equipment and the range of hotel recreational facilities.

"The dedication to quality has always been a trademark of M & C's readers who represent the highest level of meeting and convention planning/incentive professionals. The San Francisco Marriott Hotel has met these tough standards by providing outstanding hotel services," said Bernard W. Schraer, Meeting & Conventions Group Publisher. "The entire M&C staff commends the downtown San Francisco Marriott Hotel for demonstrating the high qualities to earn the Gold Key distinction."

The San Francisco Marriott Hotel will be honored and receive its Gold Key Award as a part of M&C's Gold Awards ceremony on November 11, 2005 in New York City. The downtown San Francisco Marriott will also be featured in Meetings & Conventions' Gold Awards issue published this November.
