*Total Omnibus Contract Orders Since July 15, 2005 Totals \$7.9M*

PR9.NET August 12, 2005 - Markland Technologies, Inc. (OTCBB: MRKL), a defense and homeland security company transforming advanced laboratory technology into real-world products, announced today that the U.S. Army's Night Vision and Electronic Sensors Directorate (NVESD) has awarded the company's wholly owned subsidiary EOIR Technologies Inc. new orders for technology products and services totaling \$3.1 million. These new orders were for direct support of combat and anti-terrorism activities in Iraq. Robert Tarini, Chairman and CEO of Markland, made the announcement.

Technest Holdings Inc. (OTCBB: TCNH), is a provider of intelligent surveillance and advanced 3D imaging technology solutions to the defense and homeland security marketplaces.
