Podcasters and business professionals can now find the perfect voice for their podcasts at InteractiveVoices.com, the voiceover marketplace. Find announcers, imaging talent, and podcast host voices quickly and for free. By working with talent directly, clients receive rapid turnaround time and cost-effective pricing.

PR9.NET August 25, 2005 - TORONTO, Interactive Voices (<http://www.interactivevoices.com>), the voiceover marketplace, is a busy hub of podcast voiceover activity, ready exceed the expectations of indie podcasters, organizations, and corporations looking for a signature voice to host and or provide imaging for their podcast. Using the InteractiveVoices proprietary voiceover job posting software, podcasters will be able to find, audition, and hire voiceover talent within a matter of minutes. This valuable podcasting tool organizes responses online with demos and quotes from a variety of qualified talent while sorting and promptly identifying talents that are most suited to their needs and that vocally match the overall vision of the podcast.

Recent industries searching for podcasting voices at InteractiveVoices.com include the medical, educational, and technology sectors. These companies have realized the benefits and convenience of outsourcing their podcast voiceovers, often hiring more than one talent at a time for their recordings. Examples of podcasting voice roles include a professor style voice, hostess, customer testimonials, sidekicks, announcers, and various comical and cartoon-like voice characters.

A strong majority of the voiceover talents at the site have extensive background in broadcast radio and television. Many of these talent are already providing podcasting voices for long-term clients and gaining more business at the InteractiveVoices.com site, building new relationships with studio producers, corporations, and independent podcasters. A number of InteractiveVoices.com talent host their own podcasts, syndicated through podcast aggregators such as Apple iTunes, iPodderX, and Odeo.

Company CEO David Ciccarelli says, "Big business is embracing a new way to launch their ideas and instantly execute marketing strategies. Companies are often surprised at just how easy it is to find a voice that will bring their marketing to the next level through podcasting."

Companies can post a job and receive a bevy of voice talent responses within minutes of posting their voiceover job. Posting a podcasting job at InteractiveVoices.com is free of charge.
