The Podcasting Ebook, the Complete Guide to Podcasting, has been released by ThePodcastingEbook.com. Aspiring podcasters will learn the ropes of podcasting quickly and easily, and even start making money from their podcasts within days.

PR9.NET September 09, 2005 - TORONTO, ThePodcastingEbook, (<http://www.ThePodcastingEbook.com>), the authority on podcasting for businesses, is pleased to announce the release of ThePodcastingEbook, available for purchase online at ThePodcastingEbook.com. The Podcasting Ebook is a division of InteractiveVoices.com targeted toward businesses seeking to produce their own company podcasts. Main features include how to create, record, publish and promote a podcast. Readers will also find valuable product reviews, podcast directories, and tools to help them evaluate their podcast.

ThePodcastingEbook has received positive feedback and endorsement from several key players in the podcasting business and from business professionals that have read and reviewed the Ebook, implementing its contents in their own business podcasts. Readers were thoroughly impressed with the writing style, comprehensive layout, and added value content, including a never before explored area, the art of evaluating and improving a podcast. This chapter alone is worth purchasing the Ebook as it will guide the podcaster through an analysis of their podcast and recommend several ideas on how to grow their podcast.

Interested parties can visit ThePodcastingEbook.com website to Learn, Try, Buy and read testimonials of companies that have read and benefited from The Podcasting Ebook. The concept of Learn, Try, Buy is three-fold. The Learn section answers the what, when, where, why and how this Ebook will serve the business podcaster. A personal note from the author interspersed with testimonials in addition to an outline of the chapters in the Ebook and what they can expect from their purchase is available to view. The Try section greets visitors with a podcast recorded by the author Stephanie Ciccarelli demonstrating how The Podcasting Ebook will give readers an advantage and the tools they need to produce, publish, and promote their podcast. Visitors can download chapter views to see the layout of the Ebook and even download a free chapter of The Podcasting Ebook.

Author of ThePodcastingEbook Stephanie Ciccarelli says, "Podcasting and voice-over go hand in hand, which is why writing a podcasting Ebook that enables individuals to produce their own podcasts and find voice-over talent to collaborate with is a complimentary marriage."

Last but not least, visitors can visit the Buy section of the website to purchase their podcasting Ebook. As a verified merchant of PayPal, customers can safely and confidently pay for their podcasting ebook at ThePodcastingEbook.com online. Two bonuses are also included on the download page in addition to The Podcasting Ebook.
