It's fall once again and web based upscale pet e-boutique, JoncoPets is ready to lavishly outfit your little friend in the latest fall fashions and colors.

PR9.NET September 09, 2005 - Johnson City, TN, Owners Brent and Randy Jones of JoncoPets wish to announce the addition of multiple lines of luxury designer pet clothes and upscale merchandise.

Our product lines are growing in response to the positive attention that our Boutique has received say the owners. Our clothing line has been a success so we chose to increase our offering of apparel first. Our new merchandise includes designer puppy purses, jackets, sweaters, fleece jackets, shirts, polo shirts and of course the latest dress designs.

In addition to our Designer Dog Accessories, Pet Carriers, Pet Jewelry, bedding and grooming, our own in house line, Di'Ogees, will be adding new fall designs and styles, and our planning team has two new Christmas dresses on the drawing board for early pre-season ordering. Our goal is to offer our customers the most complete line of upscale clothing and accessories to dress and care for their pets says Brent Jones.

Along with an ever growing list of merchandise to lavish upon your pet, JoncoPets now offers Gift Certificates in response to a growing demand, with many new services currently in the works to better serve their customers. We have been very fortunate this year to have made many new friends and associates while serving to make life better for our four legged friends says Mr. Jones, and we look forward to an even better new year.
