Theresa Gretchen, former television director and radio announcer, has turned her focus to voice-overs. With seven years of radio broadcast announcing behind her, Theresa confidently offers voice services for television and radio broadcast.

PR9.NET September 22, 2005 - TORONTO, InteractiveVoices, (<http://www.interactivevoices.com>), the voice over marketplace, is pleased to announce their new relationship with Theresa Gretchen, an American voice talent whose grace, determination and broadcasting background have set her apart in her new voice-over career. Theresa Gretchen's specialties include commercial voice-over recordings and business narration, providing her clients with quality voice-overs and ten years of broadcasting expertise.

Theresa's background in broadcast has prepared her nicely for a career in voice-overs. Already, Theresa has recorded commercials for radio and television, audio demonstrations, audio tours, and training videos. Some specific voice-over services that Ms. Gretchen provides include radio commercials, television commercials, business narration, telephone greetings, on-hold marketing, and voice-overs for online use and at kiosks. Ms. Gretchen also specializes in radio and television production, able to consult and provide extra services for interested clients.

Since recently launching her voice-over business, Theresa has worked for Kellas Grindley Productions, Walkabout Productions and WTOV. Theresa is happy to speak with interested clients directly about what they are looking for in their voice-over and how she can help them bring their vision to fruition.

VP of Marketing Stephanie Ciccarelli says, "Theresa is highly motivated, focused, and talented. She is a wonderful addition to the InteractiveVoices.com team of professional voice-over talents."

Theresa has a personal web page at the InteractiveVoices.com site, <http://tgretchen.interactivevoices.com>. For more information about Theresa Gretchen and her professional voice-over services, visit and contact her directly online at Interactive Voices here: <http://tgretchen.interactivevoices.com>
