Singapore Internet Web Hosting Provider 8 to Infinity Pte Ltd (www.8.to) provides Free China domains with their packages. 8 to Infinity very own's China Golden Week Special!

PR9.NET October 01, 2005 - 8 to Infinity (www.8.to) a company provide web hosting based in Singapore, one of the centers of Internet connectivity in Asia provides free China domains to its hosting subscribers. The company wishes to raise the awareness of the ease in which a user can now obtain a Dot CN domain and also to help its clients build up their Chinese identity in order to have a better foothold in the China market.

"Given the vibrancy of the Chinese economy, there are a lot of interest all over the world to penetrate the China market. We at 8 to Infinity has the unique strength and position of having our servers in Singapore, which has fast connectivity to China as well as to the rest of the world" says Lim Boon Chuan, Chief Technical Officer of 8 to Infinity.

The unique position allows 8 to Infinity to attract clients from China who wishes to do business with the world as well as clients from other parts of the world who wants to do business in China. The company hope to be a gateway to China by attracting more clients who wants to do business in China to base their Internet servers in Singapore. This promotion is specially timed to coincide with China's Golden week.
