PR9.NET October 03, 2005 - TORONTO, - InteractiveVoices, (<http://www.interactivevoices.com>), the voice over marketplace, is thrilled to announce their new relationship with Paul Munro, a British voice talent whose authentic Scottish accent, lilting diction, and adaptable performances offer clients more than just an average voice over. Paul Munro, whose specialties include commercial voice overs for radio and television, narration, and music production aims to please, known for his 'outside the box' voice-overs, ranging from soothing to robust, and the opulent manner in which he serves his customers.

Paul Munro's background in voice over includes several years of recording commercials for television and radio, business presentations, composing music on-hold, public service announcements, event announcements, telephone voice overs, and audio book narration. Able to portray voice ages comprising of young adult, middle age, and senior, Paul has delighted audiences the world over with his character voices and appearances in films such as "The Adventures of Greyfriars Bobby" and "The Jacket". Additional works that Paul provides to his clients consist of music on-hold equipment, copy writing, and studio production services.

Paul's success was built upon a foundation of strong business ethics. He understands that as a professional he must deliver 100% satisfaction to his clients, that his business relationships need to be developed and maintained, and, to keep a light, cheery sense of humour. Paul offers Express VO services for clients with tight budgets and will gladly arrange a time slot when he can record their voice overs at a reduced rate. Finished work is emailed as file attachments to the client with hard copies available upon request for an additional fee. Paul also offers narration services for wedding and birthday videos, perfect solutions for those looking to give loved ones a custom gift to remember the event by.

VP of Marketing Stephanie Ciccarelli says, "Paul Munro is an exceptional talent and a vibrant member of the professional voice talent team at InteractiveVoices.com. His unique service offering and native Scot voice-overs are a boon and delight to clients that use our web-service."

Paul has a personal web page at the InteractiveVoices.com site, <http://paulmunro.interactivevoices.com>. Paul also has a business site, <http://www.wildhaggis.com>.
