PR9.NET October 03, 2005 - Wilmington, NC. Demonstrating its continuing commitment to the health care market, Mi-Co, the mobile data capture software company, announced today that they are sponsoring the Leadership Conference hosted by the Association for Home & Hospice Care of North Carolina. The conference is being held in Wilmington NC at the Hilton Wilmington Riverside on October 3 and 4, 2005.

"With close to fifty percent of our customers being from the health care segment," said Barrett Joyner, Mi-Co Senior Vice President of Sales and Marketing, "our interaction with professionals at this event is an important component of our marketing activities. In addition, working with partners such as Gateway allows us to show the complete hardware and software solution for data capture in the home health arena."

Phillip Greene of Gateway Computers added, "Mi-Forms Software on the new M280 Tablet PC from Gateway is an excellent combination of power, performance and price for the mobile healthcare professional capturing client data."
