The 2005 e-Financial WorldExpo being held during Oct. 27-28, 2005 in National Trade Center, Toronto, Canada (<http://e-financial.wowgao.com>) is pleased to welcome Nastel as an exhibitor for the upcoming event.

PR9.NET October 07, 2005 - Toronto, Canada - Nastel is a pioneer in transaction monitoring and management solutions that enable businesses to ensure the high availability and reliability of business-critical applications. Nastel's AutoPilot Suite provides a real-time graphical dashboard displaying transaction flows end-to-end, with point-and-click drill down and automated self-healing capabilities. Global 2000-sized companies, including some of the world's largest banks, financial institutions, retail chains, and insurance companies rely on AutoPilot to ensure smooth, uninterrupted business operations. Nastel is a privately held company headquartered in New York, with offices in the U.S., Italy and the UK and a network of integration partners throughout Europe, the Middle East, and Asia.

The 2005 e-Financial WorldExpo will feature enterprise applications and financial solutions, provided by many top companies, which include Adobe Systems, SafeHarbor, Avamar, DoubleClick, Genesys Labs, IDS Sheer Canada, KANA, Laserfiche, Pertech Technologies, Policy Technology, Sarvega, RDM Corp., Progtegra Technology Solutions, EMC Corp., Tripwire, Talisma, Texas Instruments, VisionMAX, and Xaware.

New speakers recently added to our conference agenda include:

 Jeffery L. Green, Director of Compliance for Financial Services, Laserfiche
 Bruce Miller, e-Records Strategy & Business Development Executive, IBM
 Steve Orrin, CTO, Sarvega
 Andrea S. Klein, Vice President, Financial Services Industry Strategy & Marketing, Oracle
