*The 2005 e-Financial WorldExpo being held during Oct. 27-28, 2005 in National Trade Center, Toronto, Canada (<http://e-financial.wowgao.com>) is pleased to welcome ISIS Papyrus as an exhibitor for the upcoming event. ISIS Papyrus provides integrated and distributed software solutions for mission-critical business document applications for more than 2000 customers worldwide and has pioneered the technology for Document Integration with its Document Switchboard.*

PR9.NET October 17, 2005 - Toronto, Canada - ISIS Papyrus provides integrated and distributed software solutions for mission-critical business document applications for more than 2000 customers worldwide and has pioneered the technology for Document Integration with its Document Switchboard. Based on the innovative Papyrus Objects platform, the Papyrus Document Switchboard unifies all corporate inbound and outbound business communications into a cost-effective document lifecycle solution. ISIS Papyrus integrated software solutions enable large-scale document applications that support fundamental business processes, such as customer care, customer relationship management, bank statement and client reporting applications, insurance documents, billing, customer correspondence, data capturing, web archiving & web delivery.

The 2005 e-Financial WorldExpo will feature enterprise applications and financial solutions, provided by many top companies, which include Adobe Systems, SafeHarbor, Avamar, DoubleClick, Genesys Labs, IDS Sheer Canada, KANA, Laserfiche, Pertech Technologies, Policy Technology, Sarvega, RDM Corp., Progtegra Technology Solutions, EMC Corp., Tripwire, Talisma, Texas Instruments, VisionMAX, and Xaware.

New speakers recently added to our conference agenda include:

&#61553; Jeffery L. Green, Director of Compliance for Financial Services, Laserfiche  
&#61553; Bruce Miller, e-Records Strategy & Business Development Executive, IBM  
&#61553; Steve Orrin, CTO, Sarvega  
&#61553; Andrea S. Klein, Vice President, Financial Services Industry Strategy & Marketing, Oracle  
&#61553; Vivek Khindria, Senior Manager, Information Security Practice. BMO
