PR9.NET October 18, 2005 - Indiarealtors.com introduces a state-of-the-art, powerful online Real Estate business solution, for Members and Realtors (Agent, Builders and Owners). Indiarealtors.com is a name that is synonymous with quality, reliability, member satisfaction.etc. We Indiarealtorss provide the features and functionality that will reach more members and close more property deals! Whether commercial or residential properties, we understand the customer's requirements and serves with quality and assurance in every job.

Indiarealtors.com - principal task is to recognize and understand the needs of our members, to help them find suitable homes, and to provide good value and professional realty service. Subscribing builders, agents and owners also receive the tools necessary to deliver exceptional service to prospective members. Prospect management tools that help realtors build relationships with members at a time with minimal effort.

Indiarealtors.com also provide the features such as quick search and detailed search of properties, separate and different modules for members and realtors. The 'search' also allow the members to take over a detailed search for their dream homes. We also provide an amazing feature 'Slide Show' of property listings in which the users are able to view the home slides.
