Wes Cunningham, American voice actor, broadcast talent, and voice-over professional, has recently joined InteractiveVoices.com, the voice-over marketplace. Wes' satisfaction guarantee coupled with his signature "Instant Voice-Overs" quickly yield happy customers and quality audio.

PR9.NET October 20, 2005 - TORONTO, InteractiveVoices, (<http://www.interactivevoices.com>), the voice over marketplace, is thrilled to announce their new relationship with Wes Cunningham, a non-union USA male voice talent whose authentic announcing, trustworthy voice, and distinct characters reflect his immense versatility and broadcast voice-over experience. Wes Cunningham, whose specialties include voice-overs for corporate branding, promos and character voices, especially the cowpoke from the gritty Wild, Wild West, and the sparkling-toothed game show host, ready to please with top-notch, instant voice-over services.

When looking for an experienced and talented voice-over professional, Wes Cunningham is your man. His voice-over career spans a quarter of a century, recording voice-overs for commercials, animated features, narration for business presentations, industrial narration, and a host of other applications including television, radio, telephone voice-over services, Internet voice-overs, and narration for audio books. Wes' state-of-the-art home recording studio pampers client recordings with all the bells and whistles including an in-house ISDN connection, ProTools recording software, a Mackie mixer and monitor set, and a wide selection of microphones manufactured by Neumann, Electrovoice, Rode, and Sennheiser.

Wes Cunningham has a reputation amongst his peers for being the "instant voice-over" talent. From his home studio, he is able to provide instant voice-overs with his ISDN Telos Zephyr connection, ensuring quick turnaround and quality voice-overs from a seasoned professional. Recent voice-over projects include television broadcast recordings for high profile clients including Pioneer and Dupont, both of which were nationally run ads for the agricultural industry. Always ready to please with his satisfaction guarantee, Wes consistently delivers voice-overs to meet his clients' specifications. He delivers finished voice-over products by traditional means such as CD overnight, cassette, and ISDN and via online methods such as MP3, WAV, AIFF, and, should the need arise, even reel-to-reel deliveries.

VP of Marketing Stephanie Ciccarelli says, "Wes Cunningham and his instant voice-over services are second to none. His colorful personality and experience is a breath of fresh air. We are very pleased that Wes has chosen to partner with InteractiveVoices.com."

Wes has a personal web page at the InteractiveVoices.com site, <http://wescunningham.interactivevoices.com>. Wes also has a business website where he can be reached: <http://www.thevoicechoice.com>
