Slots, roulette, and 100 play video poker are all part of the latest release from Microgaming

PR9.NET October 26, 2005 - Kahnawake, Canada – The Jackpot Factory (www.jackpotfactory.com), a leading online casino group, announced today unique bonus award incentives to their players who try out any of the four new games released by Microgaming, the world's largest online casino software provider.

With over 200 different online casino games in its portfolio, the Jackpot Factory online casino group now offers players four more great games. Just released are: Pollen Nation, a bee-themed five-reel, 25 payline, multi-coin video slot game; Wasabi San, a sushi-styled five-reel, fifteen payline, multi-coin video slot game; European Roulette Gold, a classic roulette game with added betting features; and Aces and Faces 100 Play Power Poker, a video poker game with a record-breaking 100 hands of cards all dealt at once from a separate and independent deck of 52 cards.

"Jackpot Factory players are sure to enjoy these new games now available at all our member casinos. They're fresh, original and varied, which means there's something for everyone. Players who try the new games will receive double loyalty points until the end of the month, plus a chance at sharing a total of \$40,000 in cash prizes," said David Brickman, Spokesperson for the Jackpot Factory Group.

The casino group, representing All Slots Casino, All Jackpots Casino, First Web Casino, and Wild Jack Casino, continues to be a leading Microgaming casino group and has one of the largest selections of online casino games, according to David Brickman.

Brickman commented, "Microgaming continues to create the best online casino games, and the latest installments are of genuine quality with very lucrative payout tables. The Jackpot Factory anticipates that all four games will be a big success. In particular, Aces and Faces 100 Play Power Poker should be a very big hit with our video poker players. Just when you thought video poker had reached its apex, Microgaming takes the dynamic poker game to a new level."
