*According to Mike Ligudzinski, CEO of PRONTO North America, "Security of data is critical for all businesses. PRONTO-Xi verifies the integrity of data via a granular role-based security model that maintains controlled access to data and programs."*

PR9.NET November 10, 2005 - One of the key reasons PRONTO North America is experiencing rapid growth is a functionality which provides an easy to use clean interface incorporating industry standard look and feel elements, reduces training, and provides a user friendly work environment. The development process includes a Human Computer Interaction (HCI) review to ensure intuitiveness and simplicity.

Pronto North America, Inc. based in Eden Prairie, MN, is widely recognized as the authority in technologically driven business solutions and process management. Utilizing innovative implementation techniques and tools, Pronto North America generates increased performance, service, efficiency, and accountability. Through PEER (Process Evaluation Executive Review), Pronto North America captures the values of Lean Manufacturing throughout the enterprise. This functionality is accomplished utilizing a highly-trained world-class staff and an innovative process modeling and automation toolset unmatched in the industry, ensuring the realization of continuous process improvement and profitability. This expertise segues to PRONTO BPM powered by XSol.

Pronto North America is the North American Master Distributor of PRONTO-Xi, a comprehensive software system allowing manufacturers, distributors, and retailers to effectively manage all phases of their business. Far beyond just another Enterprise Resource Planning (ERP) System, PRONTO-Xi's financial and distribution applications are unique and have provided maximum return on investment for a wide variety of organizations since 1976. From PRONTO Production to PRONTO Advanced Warehousing; from PRONTO Planning to PRONTO Quality Management System (QMS); from PRONTO Distribution Requirements Planning (DRP) to PRONTO Forecasting Management, the cross-section and breadth of integrated elements addressed by PRONTO-Xi is unmatched in the marketplace and justifies its natural leadership role as the best fully integrated business software solution.
