ERP Leader PRONTO North America makes Special Sales Features Available to Manufacturers

PR9.NET November 19, 2005 - According to Mike Ligudzinski, CEO of PRONTO North America, "We provide a number of special features for specialized industries and sales order processing."

The special sales features include:

-  Licensing permits that need to be held to purchase certain products, for example, tobacco or liquor. Reports may be produced to reflect these details.
-  Allow only specified customers to buy certain products.
-  Customer backorder policy. This indicates whether or not a customer accepts backorders together with other options.
-  Different form layouts by customers.
-  Order surcharge (fixed percentage or dollar amount for orders below minimum value)
-  Mandatory input of customer purchase order number (reference) in order entry
-  "Use by date" (minimum acceptable shelf life of product) defined by customer.

PRONTO North America, Inc. based in Eden Prairie, MN, is widely recognized as the authority in technologically driven business solutions and process management. Utilizing innovative implementation techniques and tools, PRONTO North America generates increased performance, service, efficiency, and accountability. Through PEER (Process Evaluation Executive Review), PRONTO North America captures the values of Lean Manufacturing throughout the enterprise. This functionality is accomplished utilizing a highly-trained world-class staff and an innovative process modeling and automation toolset unmatched in the industry, ensuring the realization of continuous process improvement and profitability. This expertise segues to PRONTO BPM powered by XSol.

PRONTO North America is the North American Master Distributor of PRONTO-Xi, a comprehensive software system allowing manufacturers, distributors, and retailers to effectively manage all phases of their business. Far beyond just another Enterprise Resource Planning (ERP) System, PRONTO-Xi's financial and distribution applications are unique and have provided maximum return on investment for a wide variety of organizations since 1976. From PRONTO Production to PRONTO Advanced Warehousing; from PRONTO Planning to PRONTO Quality Management System (QMS); from PRONTO Distribution Requirements Planning (DRP) to PRONTO Forecasting Management, the cross-section and breadth of integrated elements addressed by PRONTO-Xi is unmatched in the marketplace and justifies its natural leadership role as the best fully integrated business software solution.
