

AmCheck to allow customers to pay for products and services online via Credit Card.

AmCheck, November 18, 2005

URL: <http://www.pr9.net/business/hr/2970november.html>

Phoenix – AmCheck HR Benefits, one of the Countries largest Payroll Service Organizations and Administrative Services Organization ASO announces effective immediately that they will be allowing customers to pay for some service fees and most ancillary product and service offerings with a credit card.

PR9.NET November 18, 2005 - AmCheck is the first provider in the industry to make available to their clients the ease of paying for most products and services online via credit card. Customers can now pay by simply accessing their account online and having the convenience of using their credit card to pay for services rendered. Providing our customers options to alleviate the most tedious tasks is something that we continuously strive to accomplish and is just another venue that distinguishes our service from the others.

The company's Web address is www.amcheck.com.

"We are excited about our continuing expansion into new markets and services, which now reach companies nationwide," said Dean Lucente, president and co-founder. "Our commitment to technology incorporates that."

AmCheck's Phoenix headquarters is located at 10201 S. 51st Street, near I-10.
