PR9.NET November 21, 2005 - TORONTO, -- InteractiveVoices, (<http://www.InteractiveVoices.com>), the voiceover marketplace, is pleased to announce the new and improved second edition of the Voice-Over Script Collection, an assortment of broadcast commercials, imaging, telephony, narration, and bonus public domain narration scripts. Key updates include 25 new broadcast commercial scripts, a new overall look and feel, and extensive vocal direction including target markets, the type of narration / style required, vocal delivery, suggested background music, and ideal sound effects. Commercial scripts for Real Estate, Travel, Christianity, Event Planning, and Finance are just some of the recently developed branches in the second edition with the promise of more exciting additions to come in future editions.

The Voice-Over Script Collection is a perfect solution for businesses, advertising agencies, and creative people who are seeking a diverse offering of broadcast ready scripts that they can customize for their marketing campaigns or internal efforts.

The script collection is also an effective tool for professional voiceover talents. Many voice talent use these scripts to update their current voiceover demos and find new scripts to record to expand their market reach. Aspiring talents also find the script collection an instrumental and affordable means of recording their first voiceover demo, making use of not only the scripts but the bonuses consisting of two PDF documents, "How to Make a Voiceover Demo" guide, and "Quoting for Voiceover Work".

The Voice-Over Script Collection is:

1. Easy to use
2. Royalty-Free
3. Comprehensive
4. Affordable
5. Trusted

Interactive Voices VP of Marketing, Stephanie Ciccarelli says, "The 2nd edition of the script collection is the fruit of listening to our customers and implementing their feedback. We are pleased to offer 25 new commercial scripts, extensive artistic direction, production guides and a consistent look and feel."

Customers who purchase the Voice-Over Script Collection receive ongoing complimentary script updates and new bonuses as they are released.
