*Nortel Networks, a global leader in shaping the evolution of communications is welcomed as the latest exhibitor for the 2006 Wireless & Mobile Expo and Conference, taking place on June 7 & 8 in Toronto, Canada. Following their successful speaking engagement at the 2005 Wireless & Mobile WorldExpo, WowGao is pleased to have Nortel return for the 2006 show.*

PR9.NET November 28, 2005 - With more than a century of experience in shaping the evolution of communications, Nortel continues its tradition of innovation today by providing secure solutions that ignite and power global commerce while helping solve the world's greatest challenges.

Nortel's leading portfolio of solutions spanning packet, optical, wireless and voice technologies are at the very foundation of the world's economy, powering global commerce and delivering innovative network capabilities to connect rural and underdeveloped regions.

Working together with its customers in 150 countries, Nortel is improving the human experience by fundamentally changing how the world works and how people communicate, creating unique capabilities for business, education, entertainment and security through reliable data and voice technologies.

Visit their website <http://www.nortel.com> for more information.
