*Hoo Technologies has released MP3 to SWF Converter v2.0. MP3 to SWF Converter converts MP3 and WAV to SWF (Macromedia Flash Movie File) quickly.*

PR9.NET December 01, 2005 - Hoo Technologies has released MP3 to SWF Converter v2.0. MP3 to SWF Converter converts MP3 and WAV to SWF (Macromedia Flash Movie File) quickly. It's very easy to use. It converts MP3 and WAV to SWF just in 2 easy steps: add MP3 and WAV files first then click "Convert All" button convert all MP3 and WAV to SWF. It's very easy to add the SWF files to your website. You only copy the SWF files to your website then copy and paste HTML code to your web page. That's OK!

MP3 to SWF Converter can encode MP3 and WAV with different parameters (like sample frequency, bit rate, channels or encoding quality). This means MP3 to SWF Converter can convert a large-size MP3 or WAV file to a small-size SWF file so that the SWF file can be downloaded faster. MP3 to SWF Converter can create not only sound stream SWF but also playback controllable SWF. And it supplies many excellent control SWF templates. You can also create SWF files which be played initially or repeatedly.

MP3 to SWF Converter supports batch conversion. You can add multiple MP3 or WAV files. You can also add a folder or drag and drop several MP3/WAV files and folders to its main window; it will search all MP3 and WAV files and add them to conversion list.

MP3 to SWF Converter v2.0 runs under Windows 9x/Me/NT/2000/XP/2003, costs \$29.95(US) for a single-user license, and may be purchased securely from [http://www.hootech.com/mp3\\_to\\_swf\\_converter/buy.htm](http://www.hootech.com/mp3_to_swf_converter/buy.htm). All future updates are available without cost to registered users. You can download a trial version at [http://www.hootech.com/mp3\\_to\\_swf\\_converter/mp3\\_to\\_swf\\_setup.exe](http://www.hootech.com/mp3_to_swf_converter/mp3_to_swf_setup.exe). Multi-user, educational, and nonprofit discounts are available. For more information, please visit [http://www.hootech.com/mp3\\_to\\_swf\\_converter/](http://www.hootech.com/mp3_to_swf_converter/) or write to [support@hootech.com](mailto:support@hootech.com).
