Effective immediately, the Healthprolink, Inc. company name has been changed to Pharmacy OneSource, Inc., officials for the company have announced.

PR9.NET December 05, 2005 - Healthprolink Inc., a provider of state-of-the-art clinical documentation software to the pharmacy market, and Pharmacy OneSource, Inc., a trusted provider of professional information and formulary management tools, merged in July of this year to provide one source for best-of-class pharmacy improvement applications.

"The name change to Pharmacy OneSource from Healthprolink builds on a loyal customer base, which we will extend as we strengthen the Pharmacy OneSource brand," said Tim Gibbons, President of Pharmacy OneSource. "Now, the coexistence and collaboration of Healthprolink and Pharmacy OneSource applications from a single source offers our customers a powerful choice of solutions, backed by a single name."

In addition, all pharmacy products will now be available under the new web site address of RPh.com. Pharmacy OneSource's goal is to make all of its customers more aware of the range of pharmacy applications it offers. All current products under the Healthprolink name will continue under the new company name and logo.
