Situated in the rural heart of Murcia the coast and beaches are only eight miles to the east, whilst the regional capital of Murcia is just 45 minutes away.

Among the numerous attractions of Murcia one stands head and shoulders above the rest, the five star Hacienda Riqueleme Golf Resort, which is the home of the Laguna Club. - * Unlimited golf with reduced green fees
- * Numerous sporting activities including tennis, football, riding, water sports
- * 30 years shared ownership for a fraction of the price outright ownership
- * An investment in Spain's fastest-growing property market

Here is the Spain most people only dream about, a world of inexhaustible charm, with it's whitewashed houses and chaotic patchwork of terracotta roofs. Murcia calls you back time and time again. A lifetime is hardly enough to explore it's richness and diversity. Vast inland seas and sweeping mountains leave you mesmerised, whilst shady forests with pine resin invite you to doze through the siesta.
