*YourLendingSources.com, a Sacramento, California-based company specializing in connecting borrowers to mortgage brokers for home purchase, refinance and debt consolidation loans, has unveiled it's own mortgage newswire web site (HomeLoanMortgageNews.com) focused on providing informative industry-related articles and press releases.*

PR9.NET December 10, 2005 - "Home buyers and sellers have more and more been using the Internet to locate mortgage brokers, which can offer exceptional rates and online rating services," said Doug Alberts, company founder. "YourLendingSources.com separates itself from our competitors by connecting borrowers directly with local mortgage brokers, which shop lenders for great rates for new purchase California home loans and California mortgage refinancing." continued Alberts.

"HomeLoanMortgageNews.com is a great new resources providing informative information to borrower's both prior and during the loan process. Utilizing both HomeLoanMortgageNews.com borrowers will find it easier to find local brokers and to make better loan decisions when working with their local broker." continued Alberts.

The company promotes: Try our mortgage broker search (it's free) and you'll be very happy with our qualified associates loan placement abilities and fast service!

We pride ourselves in No pressure, no-hype, just great rates and great service!

YourLendingSources.com broker's specialize in home purchase, refinance and debt consolidation loans for people with all types of credit including bad credit mortgage refinancing, representing most of all the major lenders from coast to coast.

YourLendingSources.com also has a sister department (YourRealEstateSources.com), a free service, assisting home buyers and home sellers in California Real Estate, through an online directory service linking buyers to local MLS property listings through-out California.

For additional information, please visit each web site.
