Members of the Alpha Epsilon Pi Jewish fraternity offered exclusive Party Poker bonus code for opening a new players account.

PR9.NET December 11, 2005 - In an effort to attract members of the exclusive Alpha Epsilon Pi fraternity, Party Poker.com is currently offering special new player incentives to members of the popular Jewish fraternity. Party Poker is the ultimate destination for playing online poker as well as the industry leader with over 70,000 players playing online.

In order for Alpha Epsilon Pi members to take advantage of this special promotion, they must download Party Poker's free software located here:

<http://www.partypoker.com/download/index.htm?wm=2692009>

Upon signing up for an account at Party Poker, the player will then be asked if they have a sign up bonus code. When a member of the Alpha Epsilon Pi fraternity enters the bonus code AEPI they will receive an extra 20% bonus on their deposit, up to \$100 in free money credited to their account.

Internet poker has gained massive popularity of late as thousands have discovered the fun, convenience, and safety of playing cards online. A player can sit at a virtual poker table at any time of the day or night and play cards with other individuals from all parts of the world. The increased exposure of poker tournaments on television has also played a great part in the current poker boom and the game is certainly enjoying the recent spike in popularity.

Party Poker is the world's largest online poker room and fully licensed and regulated by the Government of Gibraltar. Party Poker uses the PartyGaming system which as been independently tested for security, reliability, and fairness of play. Extra steps are also taken at the site to prevent fraud and collusion.

Party Poker features a top rated customer support staff and system, providing players with help when they need it, 24 hours a day, 7 days a week, 365 days a year. Regular players are also assigned dedicated account representatives to reward loyalty with VIP treatment.
