Nutritional educator and professional lecturer, Dave Saunders, speaks this Thursday, Dec 15th at the Natural Healing Wellness Center in Annapolis, Maryland.

PR9.NET December 14, 2005 - Nutrition and health educator Dave Saunders will be speaking about new discoveries in the field of wellness and healthcare and way to apply them to daily life. The free talk will be held at 3:00 PM and 7:00 PM on Dec 14th at the Natural Healing Wellness Center in Annapolis, Maryland on 100 Annapolis St.

The purpose of this talk is to educate about the health, dietary and environmental challenges we face in the modern world, but also to explain the latest scientific understanding of how each and every cell of the body works to restore, protect and defend itself from the effects of injury and disease. People interested in taking care of their body, to experience the best potential for optimal health, will find this presentation informative and helpful in understanding what options are available for better health through improved nutrition.

"When I first saw information about this technology, it was a small part of a course in biochemistry--I didn't realize how much it would change the lives of my patients and even my own family. If you listen to Dave Saunders, you'll hear some of the newest and most important health and wellness information out there." says Mick Sicre, D.C. of Active Family Chiropractic in Reston, Virginia.

This hour long presentation is open to the public. People are encouraged to call ahead to the Natural Healing Wellness Center to RSVP for the 3:00 or 7:00 talk.
