Twenty Years of Meet & Greet Valet Parking at Gatwick Airport for Business Travellers and Holiday Makers.

PR9.NET December 18, 2005 - In 2005 PAS Gatwick celebrates 20 years of Meet & Greet valet parking at Gatwick airport. PAS Gatwick has pioneered the stress free way to start any business trip or holiday journey from Gatwick Airport in the UK.

The valet parking service at Gatwick airport means you don't have to wait or scramble onto buses with your entire luggage. It's ideal if you have children, are elderly or just like personal, friendly service. Simply drive your car direct to the departures drop-off point at the terminal. PAS Gatwick will meet you, assist you with your luggage and then park your car for you.

Gatwick Valet Parking (www.parkinggatwick.com/index.html)

PAS Gatwick has been offering secure and convenient parking at Gatwick airport to its customers for more than twenty years. It offers:

- Meet and Greet service at no extra cost.
- Your car collected and delivered at the terminal.
- Friendly, professional personal service.
- No more buses, transfers or hassle.
- Competitive rates.
- Uniformed Staff with Individual ID
- Informative Friendly Customer Advisors

PAS valet parking at Gatwick is perfect for both holiday and business travellers.

Gatwick Holiday Parking (www.parkinggatwick.com/gatwick_parking_services.html)

Your holiday needn't start when you are in the air, or arrive at your destination. With PAS Gatwick valet parking, your holiday starts on the ground. You will be met right outside the departure level check-in doors by a uniformed professional PAS representative the moment you arrive at Gatwick. No more hassle with buses, luggage and transfers. This service is perfect for families travelling with children and the elderly and disabled. On your return to Gatwick your vehicle will be returned to you within minutes, saving valuable journey time.

Gatwick Business Parking

Parking at Gatwick airport should be the last thing on your mind before an important business trip. If your journey is last minute, or has been planned well in advance, valet parking is the perfect way to ensure you remain relaxed and arrive on-time. Valet parking at Gatwick can save you up to 1 hour by avoiding the long term 'park & ride'. On your return to Gatwick your vehicle will be returned to you within minutes, saving valuable journey time.

Servicing & Valeting

Wouldn't it be better to arrive home from your holiday or business trip to a car that is fresh and clean, following a full valet clean? Treat yourself to a basic valet or indulge in the full Platinum Valet. Let PAS arrange for your car to be serviced through our large network of authorised dealers. We will book your car with the appropriate dealer, we arrange delivery and collection at no extra cost and you return to a fully serviced car removing the need for a replacement vehicle. Fleet and Company Cars can be accommodated.
