PR9.NET December 18, 2005 - Washington, DC - Trusted Translations, Inc. is pleased to announce the launch of its Translations for Miles TM rewards program. This program, unique in the translations industry, awards its clients American Airlines AAdvantage® miles as a thank you to its customers that purchase translation services.

Trusted Translations, Inc., the leading Spanish translation agency for Latin American markets, is proud of its tradition of forging long-term relationships with clients. This new program enhances Trusted Translations' existing commitment to its clients' globalization efforts by providing a benefit beyond its high quality Spanish translation services. "We appreciate the loyalty our clients have shown us and providing points for the airline industry's longest-running travel awards program is one way we can say 'Thank you' in a tangible way." says Richard Estevez, CEO of Trusted Translations, Inc.
