Bridge Group Consulting Signs Worldwide Non-Exclusive Agreement With FranTech To Market Licenses of "Online China Buying" in 220 Countries

PR9.NET January 03, 2006 - VENTURA, California. – Bridge Group Consulting (Bridge Group) headquartered in Harbin City, Heilongjiang province, China signed a non-exclusive agreement with FranTech International Licensing, Inc. (FranTech), of Ventura, California, which grants FranTech the non-exclusive right to market Bridge Group's international "Online China Buying" services member licenses through FranTech's network agents in 220 countries, to governments and enterprises around the world.

The company explained that Bridge Group's international "Online China Buying" services are uniquely suited to meet the global China buying and China consulting needs of most countries. The "Online China Buying" system allows for quick and secure insured executions of global customers direct China buying through e-commerce, in a simple, safe, easy buying direct from "Online China Buying".

Zhidong He, CEO of Bridge Group, said, "We chose FranTech because of their tremendous geographic reach and proven track record in establishing licensing agreements. With more than 35 years of experience, FranTech knows international counter trade and trade policy, insurance law, marketing, licensing, franchising, investment banking, and technology research. Their broad expertise, coupled with access to key government and key enterprise decision makers, provides services uniquely valuable to Bridge Group in China and overseas."

The company explained that FranTech's mission is to foster the development of the global economy by providing a global perspective to developers, marketers, manufacturers and innovators on newly emerging and preemptive technologies. They offer world-class solutions for the licensing and transfer of USA, China and worldwide innovations to emerging economies.

Philip Nadeau, CEO of FranTech, said, "We see a tremendous market worldwide for China sellers with 24 hours of a China buying services, and already have interest from several countries. Bridge Group is working with FranTech to establish a truly global footprint in 220 countries. We plan on developing brand name recognition and positioning of Bridge Group with many governmental agencies and industries where we already have relationships in place."
