Vibrant new line of bold and eclectic wallpaper wall murals and posters.

PR9.NET January 24, 2006 - Solon, Ohio (USA)- - Wallsdecor.com™ is pleased to announce the launch of the new Gladiola and Café Design Collections, created by Gingy Designs®. "These new product offerings allow Wallsdecor.com™ to bring an eclectic mix of vibrant color and bold style to home décor", says Anthony Distaulo Director of Marketing for Wallsdecor, Inc. "We want our customers to have a variety of choices when visiting our website; with the new Gingy Designs® collection we can accomplish this. "

Using innovative digital development and printing capabilities, the richly detailed artwork on the two new collections really comes alive. "By bringing my designs to wallpaper, this will allow consumers the ability to decorate any desired space, big or small in no time at all, with original one-of-a-kind pieces of art", states Ginny Keegan, Owner of Gingy Designs®.

The Gladiola and Café Collections will be available in a variety of sizes, such as Accent Murals, Art Canvases, Borders and Posters. Custom sizes and personalized colors to accommodate any room decor are also available upon request.

Special New Item Promotion

20% off on any Gladiola and Café Collection order from January 23, 2006- February 28, 2006.

###

About Gingy Designs, Inc.

Gingy Designs® specializes in unique decorative painting and home accessories for interior and exterior spaces for residential or commercial home décor. Designs range from hand painted custom murals, borders or faux finishes to glazing, cracking and painted furniture designs. Gingy Designs® unique sense of design, style and fascinating use of color stimulates the senses and brings life to any space. Distinctively marked by bold, eclectic combinations of color, collage and mixed media techniques, and Gingy Designs® artistic palette spans dimensional, textural murals to vibrant paintings on vintage barn windows to whimsical fabrics, furniture and other home accessories.
