*Internet is the biggest and the richest industry with the power of its globalization it is possible to reach any land in no time.*

PR9.NET January 22, 2006 - New Delhi, India --- If you thought of starting an Internet Business ever, then this is the right time. In 2005 more than a Billion people went online, more than 250 Billion searches were done, and total online sales accounted for over \$170 Billion according to Forrester. More people are looking for something, finding it on the Internet, and buying it than ever before, and it's still growing...

In fact, 2006 should see 200 Million more potential customers online (2 Billion by 2010!) and total Internet sales will increase another 20% or more according to FTI Consulting.

Internet Facts and Figures -

- >> 300,000 people are joining Internet every day!
- >> Internet usage now doubles every two months!
- >> Over 760 Million people will go Online in the Next 5 years!
- >> 4 Websites are being launched every second!
- >> e-Business is estimated to be a 350 Billion Dollars Industry!

Many Business Owners have already visualized this opportunity on The Internet and are earning more than \$100,000 annually. Which ever way you may, you market your own products online or market other peoples product called Affiliate Marketing, Internet has it all. Internet brings complete solution for all the big brand companies to the small local businesses.

Few people running their successful Internet Businesses are -

- >> Corey Rudl - Is a successful Internet Entrepreneur. Corey says "I own four different businesses that generate over \$5,200,000 in online sales every year for me."
- >> Shawn Casey - Is a successful Internet Marketer. Shawn says, "When I was CEO of Success Development International, Inc., we were recognized as one of the 500 fastest-growing companies in America by Inc. magazine in 1996 and 1997." Also, member of Six Figure Income's Presidents Club." Best Month (Gross Revenues) - \$600,000
- >> Alan Benchtold - Is a successful Internet Marketer. Alan says, "My biggest achievement was a joint venture that brought me more than \$11 million in gross sales — including my highest-grossing month ever—over a four-year span, at no cost to me, and no risk besides being able to fulfill all the hundreds and hundreds of orders that were pouring in from my partner's list of customers." Best Month (Gross Revenues) - \$ 1.1Million
- >> Rosalind Garner - Is a successful Affiliate Marketer. Rosalind says, "When I quit my day job in 2000, my sites were raking in \$30,000 to 50,000 US dollars EACH and EVERY month. In 2002, I earned a whopping \$436,797, (\$657,801 CDN) affiliating with Internet merchants and selling their products. In 2003 and 2004, I earned much more than that!"

Take the share in this Multi Billion Dollars Industry with your niche business.
