Secured Hi-Tech Funding Discussion adds Matthew Marotta to Serve on Panel

PR9.NET January 24, 2006 - Durham, NC - The monthly dinner and networking event, of TiE-Carolinas is titled "Show Me The Money" on January 24th and will feature an enlightening discussion with CEOs of Triangle-based companies that have recently secured their first round of funding. The panel consists of Greg Burnell of 6th Sense Analytics, James Hinderliter of Stonewall Networks, and Matthew Marotta of Datacraft Solutions, who will share their latest experiences in an informative session moderated by Chris Matton of Kilpatrick Stockton.

Datacraft Solutions, Inc. based in Durham, NC, (www.datacraftsolutions.com) announced that President & CEO Matthew Marotta will be speaking at the TiE-Carolina event entitled, "Show Me the Money." Datacraft Solutions is the leading digital kanban solution worldwide. Datacraft Solutions has a vast client base including Pacific Scientific, Outokumpu, and Follett Ice. The Intelligent Supply Chain solution is growing exponentially. Matthew Marotta founded Datacraft Solutions, an application service provider that develops powerful software applications to automate complex business processes. Datacraft Solutions specializes in providing their clients with the tools they need to rapidly replace outdated manual systems with technology that speeds process flow and improves accuracy. Datacraft's premier product, Signum has been developed around the Kanban concept of replenishment, and provides an invaluable tool for manufacturing companies to monitor process flow, lower administrative transaction costs, and improve decision-making ability.
