*Using the new Internet advertising medium, pixel advertising, The Pixel Net is offering targeted advertising for small and large businesses in a new network of marketplaces for shoppers looking for bargains, freebies, value-packed deals, and even ways to make money with home businesses. The initial opening festivities to vendors include free ads, deeply discounted ads, and cash prizes up to \$1,000 for affiliates.*

PR9.NET March 01, 2006 - San Antonio, TX -- An ultimate online bargain shoppers' paradise, The Pixel Net, opens with free and discounted targeted advertising for vendors and cash prizes up to \$1,000 for affiliates.

The Pixel Net is made up of a network of marketplaces catering to shoppers looking for bargains, freebies, value-packed deals, and even ways to make money with home businesses. Currently there are 9 marketplaces, with more targeted marketplaces planned in the near future. The marketplaces are:

Free Products and Services Marketplace  
Discount Shopping Marketplace  
Smorgasbord  
Home Business Resources Marketplace  
Hobbies & Entertainment Marketplace  
Services Marketplace, including Financial Services  
Health & Fitness Marketplace  
Home & Garden Marketplace  
Travel & Vacations Marketplace

The Pixel Net is opening in two stages:

1. First, for advertisers and vendors to populate the marketplaces with their offers;
2. Then, once a multitude of great deals are available, they will open to the shoppers.

They are now opening Stage 1 with a Limited Time Introductory Offer of free ads and deeply discounted ad rates for vendors and advertisers.

Also, to make it even easier for companies to advertise in this new advertising medium, pixel advertising, The Pixel Net offers an Exclusive Bonus to its advertisers: access to its exclusive Pixel Ad Image Library, with a growing collection of ready-to-use Pixel Ads, currently with over 1,100 pixel ad images!

In addition, the opening festivities include Instant Commissions and prizes up to \$1,000 for advertisers who wish to become affiliates and help spread the word about this new destination site for shoppers.

Advertising is Free at the Free Products and Services Marketplace for anyone who offers a free product or service to the public.

Small and large businesses alike are invited to place their ads for their value-packed offers, and be noticed by the very shoppers they wish to target.

###

## About The Pixel Net

Created in February, 2006, The Pixel Net provides a new type of shopping experience for Internet Shoppers with the pixel ad marketplaces. Plus, bringing shoppers together with the businesses who will provide them the bargains they are looking for makes for a pleasurable experience for all. The shoppers get bargains and the vendors get targeted advertising to people who are looking for them with their credit cards out. The Pixel Net endeavors to be the one place people look first when they are going shopping on the Net. So whatever they are looking for, they can Find It & Pay Less or Get More, at The Pixel Net.
