Nate Perkins Enterprises LLC signed with the #1 world health food company to bring to market and sign-up home base business distributors around the Globe

PR9.NET February 20, 2006 - Atlanta, GA - Nate Perkins Enterprises signed affiliate agreements with Ky-ani Sun - the antioxidant leader to market and enroll future home base business distributors. "The first bottles of Ky-ani Sunrise and Ky-ani Sunset were shipped and as of yet, more than 10300 people have joined the Ky-ani Sun team to become distributors of these unique health products. <http://www.ky-anisun.com/nateperkins> , Andrea Washington--CEO Ky-AniSunrise said."

Nate Perkins Enterprises, company is a Veretek affiliate member. "We are happy to signed with the #1 world health food company to bring to market and sign-up home base business distributors around the global" Nate Perkins, CEO stated in his Atlanta office. Our network is the best in the world with On-Line systems self replicating, comes with live training and runs on over 200 servers.

Veretek is 10 years ahead of any type of lead generating and lead system on the Internet today. All leads are fully verified, verifiable, and 100% Spam free! If you want a portfolio of lead generators then you need to join Veretek. Inetek has been building lead and marketing systems on the Internet since 1998. Inetek was created by Thomas Prendergast and Mike Darling. With a combined expertise that started when the Internet was born in 1991, these guys represent over 200,000 hours of Internet and computer technology and have set the standard for Internet marketing.

So what differentiates Ky-ani Sun products from the rest of the field of health supplements? One word: blueberries. Not just your ordinary, every day blueberries, but the Alaska wild blueberries or otherwise known as the "Super Blueberry." In the best-selling book, "Fourteen Foods That Will Change Your Life - Super foods RX," Ky-ani Sunrise also contains, with the Alaskan wild blueberries, pomegranate, wolfberry, Noni, Aloe Vera, and other berry juices.

With Nate Perkins Enterprises, business experts and entrepreneurs with a wide range of successful business experience and associations. It is the goal of these individuals to create a network marketing company that will become the standard against which all other companies are judged in this important emerging industry. Extensive investments in both finished inventory and raw goods have ensured the continued availability of the Ky-ani Sun products for the marketplace.

Nate Perkins Enterprises LLC., company is a Veretek affiliate, developers of the first and only double opt in, verified and 3rd party verifiability email systems, Inetek forged the only secure privacy based email system on the Internet. Inventors of the first online application, first self replicating website and first self replicating PDF ebooks, this company has been destined to empower the little guy from it's very inception. If your interested in a real solid and easily built income, this is that place!
