PR9.NET April 30, 2006 - Whitman, MA, – Mike Cheney, of Century 21 Abigail Adams, is inviting real estate agents from Whitman, Abington, Weymouth and surrounding areas to join them in their Open House Reception. This Open House Reception is designed to help kick off the marketing of these brand new custom townhomes located in Whitman Ma.

The Open House Reception will take place in the model unit, located at 604 Bedford Street, Whitman Ma. The White Pines Townhouse complex was completed this spring by Integrity Builders. Mike Cheney, who also has a background in construction, has a long relationship with these builders and feels their pride for building truly shows through in their work. These townhouse style units are complete with granite countertops, breakfast bar, stainless steel appliances and spa like bathrooms. Each unit has hardwood floors throughout the first level and the buyers still have time to pick out the carpets for each of the two bedrooms.

Mike Cheney encourages local real estate agents to attend the Open House Reception this Wednesday, May 3rd. "I feel that inviting local agents to a private open house truly educates the agents and in turn provides their clients with extended service," states Mike Cheney. Century 21 Abigail Adams will be providing wine, beer and appetizers for the event. Mike Cheney will also be holding a free drawing for a gift basket for the agents.

The Open House Reception will take place this Wednesday May 3rd, 2006 from 6:30pm – 9:00pm at 604 Bedford Street, Whitman Ma. The reception is open to the public, media and local real estate agents. If you have any questions or would like to set
