*New online publication about Hollywood, Los Angeles and not just the entertainment industry*

PR9.NET May 18, 2006 - Los Angeles, CA - In a new online publication from the creative mind of Michael Politz entitled "Eye on Los Angeles" ( [eyeonla.net](http://eyeonla.net)) he reveals the inside happening's of not only the entertainment industry, but the food and beverage industry. Mr. Politz strongly makes a point that his publication will not be about celebrity chasing and gossip that is so common in blogs and tabloids. "If you want trash; go somewhere else..."

The eye on LA will also feature interviews and exclusive photographs of LA's VIP's and trendsetters, and the creative minds that make Los Angeles the capitol of Entertainment, and one of the most desired locations to live on the planet..

Mr. Politz who has had tremendous success with his Las Vegas publications empire, has hand picked a staff for the Eye on LA.
