Media Morpher Center has started running their greatest promotion week of "Discount Software For All Professional Needs".

PR9.NET May 19, 2006 - Nicosia, Cyprus - Media Morpher Center has started running their greatest promotion week of "Discount Software For All Professional Needs".

This promotion program has been launched to celebrate the event that Audio4fun ranks 2 in "Most Popular In Music and Audio" and features top 5 in "Most Popular In Multimedia" in 5 consecutive years. This is a very good opportunity for customers to purchase high-end software at a deep discount price.

With a greatest discount of 20% OFF for 3 kinds of products, Media Morpher Center allows you to buy Voice Changer Software Diamond, Music Morpher Gold and DVD Player-Morpher Gold at the most competitive price than ever.

Since 1999, with the continuous improvement in technology, Audio4fun has become one of the top brands of video and audio software in the world. Audio4fun products help users at any experience levels practice with their various audio and video purposes. The result from a survey shows that many people love Audio4fun software because these unique products can help them to activate their creative competence and enjoy themselves in the high-tech world.

Not setting profit as their high priority in this promotion program, Peter Nguyen, webmaster of Mediamorpher.com as well as the person who first gave out this promotion idea, shares his opinion, "The coupon of 20% is quite a great discount. However, our main purpose is to give chance for those who are in medium income to satisfy their audio and video purposes with high-class software."

However, the promotion program just lasts in one week. You should start from now by visiting the promotion page of Media Morpher Center:
